2. **Week 1 to 2.** Site photo shoot (gate, 50 ft road, lights, greenery, drainage, plots, drone).
3. **Week 2 onward.** Three posts a week: one fact, one proof, one action. Status and story daily for WhatsApp.
4. **Month 1.** One page website with map, distances (stating straight-line or driven), plot list, documents and a call button.

> Proposed plan. Starter templates are in the brand kit under Social media.

5 What we need from you

TOPIC	QUESTION	NEEDED FOR
Logo	Does an original vector file exist (from the designer or printer)? The kit uses a trace of the supplied artwork.	Before very large or close print
Approvals	Copy of the Zilla Panchayat sanctioned map (number, date) and the document behind 'Section 80'. What exact wording is legally right?	Before any approval claim is printed
Poster wording	The poster says 4 km (straight-line). By road it is 4.7 km. Which wording do you want, 5 km or 4.7 km?	Before the poster is printed
Drainage	Photo of the naala, where the park outfall meets it, and any pollution control board consent.	Before drainage is advertised
Facilities	Which of these exist now: street lights, 24×7 security and CCTV, gated entry, truck parking, water supply, power load? How many acres are developed?	To choose true bottom-row claims
Site photos	A shoot of the real gate, roads, lights, trees, plots, drainage. No photos exist yet.	Boards and posts with real proof
Registrations	Any RERA or other registration number and GST for invoices that may appear on stationery. The developer name stays unpublished.	Legal line, letterhead
Plots	Plot sizes, price per sq.yard or 'on request', phase 1 and phase 2 scope, launch date.	Offer posts and plot list
Online	Preferred handle, website domain, email, Google Business and WhatsApp numbers already owned.	Social and web setup

TOPIC	QUESTION	NEEDED FOR
Print	Panel sizes and media owners for poles and hoardings, printer, material, budget.	Final print files
